

COMMISSIONERATE POLICE BHUBANESWAR-CUTTACK

Traffic Law Pertaining to front, rear & side glasses in four-wheeler vehicle.

1. Use of dark, black & reflective glasses in vehicle is not permitted under section 100 (2) of Central Motor Vehicle act-1989.
2. In case of usage of tinted glass the VLT (Visible Light Transmission) specification is as under-
 - (a) Front & Rear window screens - 70%(Minimum)
 - (b) The side windows - 50% (Minimum)
3. Specification of glasses should conform to Indian Standards (IS:2553 - Part 2 - 1992)
4. The Front wind screen glass should be made of Laminated safety glass, whose pieces don't fly in event of an accident.
5. The Penalty in case of violation of the above rules is Rs. 500/-
6. Hon'ble Supreme Court of India has directed that the above law be complied with, all over India, without fail.

USE OF BLACK GLASS IS A TRAFFIC HAZARD
"AVOID IT TO AVOID ACCIDENT"
