Sub: Stake Holder's Workshop on Development of Road Sector Strategy and Policy of Odisha on 9th November 2012 at 10: 30 AM

- *Odisha State Roads Project (OSRP)*

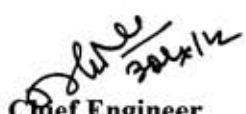

Sir,

Government of Odisha has taken up a project '*Odisha State Roads Project*' with support of World Bank. Development of Road Sector Strategy and Policy is one of the activities in the Road Sector Institutional Development (RSID) Programme. For the purpose, a stakeholder's workshop is scheduled to be organised at the venue and time mentioned at the Annexure- A, wherein a general framework of proposed road policy of Government of Odisha for next 20 years shall be discussed. Broad issues to be discussed in the said workshop are provided in the Annexure.

The workshop is intended to generate ideas regarding formulation of a strategy for development of road sector in the State as a whole. The input from your department will be of much value during the development process. You are requested to make it convenient to attend the said workshop or depute your representative for this purpose.

Yours faithfully,

Encl. As above

Chief Engineer
World Bank Projects, Odisha

AGENDA FOR WORKSHOP

Venue: “King’s Court & Ruby”, The CROWN Hotel, Bhubaneswar

Date 09.11.2012, Time: 10: 30 AM – 5: 30 PM

BROAD ISSUES TO BE DISCUSSED IN THE STAKE HOLDER’S WORKSHOP

The Consultant, M/s Intercontinental Consultants and Technocrats Pvt. Ltd in joint venture with GT-APL and in association with Arkitechno Consultants (India) Pvt. Limited, A-8, Green Park, New Delhi- 110016 has been engaged to carry out the assignment of Road Sector Institutional Development (RSID). As a requirement under this assignment, the Road Sector Policy and Strategy shall be developed for the State.

Objectives

- Adequate transport capacity to match demands of sale and smooth transport consistent with ever expanding vehicular traffic.
- State Road network to provide connectivity to all villages, town and all business centers, mining corridor, tourist centre and so on.
- Modernization & Technological up-gradation for capacity augmentation and productivity improvement.
- Emphasis on safety and energy efficiency with Environment protection.

Specific issues

- a. Improving the existing State Road Network (NH, SH and MDR) as per IRC standards to two/four lanes to cater to the needs of projected traffic and General Administration for the next ten years.
- b. To identify the corridors of exiting and projected high formula traffic and to priorities the provisions of all weather connectivity to Industrial Centres, Heritage and Tourist spots, Wild Life Sanctuaries, Ports, Agricultural produce Market Centres, Air strips and Disturbed Area.
- c. Developing an efficient maintenance management system to make optimum use of the available resources.
- d. Ensure Road Safety through implementation of suitable safety measures.
- e. Establishment of an R & D and Training Cell integrated with Quality Management System.
- f. Identification of alternative resource generation and creation of a dedicated Road fund.
- g. Private sector participation in development of Road Sector infrastructure
- h. Institutional strengthening and capacity enhancement of implementing departments of road sector in the State.
- i. Outsourcing of Road Maintenance through performance based Maintenance Contract
- j. Master planning of road network and its updating from time to time with classification of roads
- k. Uniformity of design standards and specifications of roads irrespective of ownerships.
