Sub: - Odisha State Roads Project: Road Sector Institutional Development- Initiation of Vehicle Axle Load Survey by M/s ICT Pvt Ltd Joint Venture

Sir,

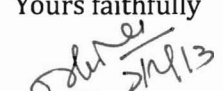

With reference to the above cited subject, it is to intimate that the State is interested in reviewing the existing axle load patterns for developing a realistic and sustainable Axle Load control Policy and Strategy as part of the assignment of Institutional Strengthening Action Plan, a component of Odisha State Road Project. M/s ICT Pvt Ltd. in JV with GTAPL, UK and Arkitechno Consultants (India) Pvt. Ltd. have been engaged as the Consultant for the purpose. They have proposed to conduct the Axle Load Survey at selected locations on different road stretches in the State as per the indicative programme enclosed herewith.

This survey involves taking weight of the commercial vehicles at specified locations using axle-load pads on the roads for 24-Hours continuously.

You are requested to extend your cooperation for the survey and arrange to deploy counterpart technical personnel (may be in the Assistant Engineer or Junior Engineer level) who may like to be associated during the above Axle Load Survey and verify the field data collected by the Consultant.

Encl: Axle Load Survey Programme

Yours faithfully

  
Chief Engineer  
World Bank Projects, Odisha
