**Sub: Consultancy Services for Road Sector Institutional Development
- District-wise Inventory of Panchayat Roads Information Data of Odisha State**

Sir,

It is to inform that the Govt. of Orissa has taken up a Road Sector Institutional Development programme under the Odisha State Roads Project funded by World Bank. To carry out the assignment, Government of Odisha, Works Department has engaged M/s. ICT Pvt. Ltd. in joint venture with M/s GT-APL in association with Arkitechno Consultants India Pvt. Ltd as Consultant. In this regard the Consultant will undertake Odisha Road Network Master Planning for which information from Concerned Department/ Heads of the Offices are being collected in a data sheet. In due course of time, the plan shall be submitted to the World Bank, ISAP Review Committee and ISAP Steering Committee for approval, followed by State Cabinet endorsement for acceptance and implementation in Our State.

In this context, the Consultant is required to collect data on road network of different departments, in the suggested format, enclosed herewith, as Annexure-A. It is requested to kindly facilitate the data acquisition of Panchayati Raj Department Roads from the district level officers of the State.

Encl: Annexure-A Format

Yours faithfully,

Chief Engineer

World Bank Projects, Odisha
