## CHAPTER II

### DECLARATION OF HIGHWAYS, HIGHWAY AUTHORITY AND THEIR POWER AND FUNCTIONS

#### 3. Declaration of roads, ways or lands as highways

The State Government may, by notification in the Official Gazette declare any road way or land to be a highway and classify it as:-

- (i) a State Highway (Special),
- (ii) a State Highway,

- (iii) a major district road,
- (iv) other district road,
- (v) Village road.

#### **4. Appointment of Highway Authority**

The State Government may, by notification in the official Gazette, appoint for the purpose of this Act or any of its provisions any person or any authority to be a Highway Authority for all the highways (in the State) or, in parts (thereof) or for any particular highway or highways (therein), specified in the notification.

#### **5. Powers and functions of Highway Authority**

Subject to such conditions as may be specified in the notification appointing a Highway Authority and subject to the general or special orders of the State Government, a Highway Authority shall in accordance with the provisions of this Act have the following powers and functions :

- (a) to execute development schemes;
- (b) to control ribbon development along highways;
- (c) to prevent and remove encroachments;
- (d) to exercise such powers and functions as are necessary and incidental to any or all of the above matters.
- (e) to exercise such other powers and functions as may be prescribed.

Also subject to the approval of the State Government and to such general or special orders which the State Government may make in this behalf, it shall be lawful to a Highway Authority to undertake the construction, maintenance, development or improvement of highways.

#### **6. Officers and Employees of Highway Authority**

For the purpose of enabling a Highway Authority to exercise the powers conferred and to discharge the duties imposed upon it by or under the provisions of this Act, the State Government may appoint such officers and employees as it deem necessary to work under such Authority.

### **CHAPTER III**

#### **RESTRICTIONS OF RIBBON DEVELOPMENT ALONG HIGHWAYS**

#### **7. Power to fix Highway boundary, Building Lines and Control lines of highway**

- (1) In any area in which the provisions of this Act have been brought force, and
  - (i) where either any road, way or land has been declared to be a highway under Section 3 or the construction or development of a highway is undertaken or proposed to be undertaken, and
  - (ii) the State Government considers it necessary to fix, as respects such highway, the Highway boundary, the Building Line or Control Line, the State Government may, by notification in the official

- (iii) Gazette, fix, as respects such highway, the Highway boundary, Building Line and the Control Line; Provided that, having regard to the situation or the requirements of a highway or the condition of the local area through which a Highway passes, it shall be lawful for the State Government to fix different Building or Control Lines in respect of any Highway, or portions thereof.
- (2) Not less than sixty days before issuing a notification under Sub-Section (1), the State Government shall cause to be published in the Official Gazette, and in the prescribed manner in the village and at the headquarters of the block, subdivision and district in which the highway is situated, a notification stating that it proposes to issue a notification in terms of Sub-Section (1) and specifying therein all the lands situated between the highway boundary and the Control Line proposed to be fixed under such notification and in the case of new works, also lands benefiting by the construction or development of the highway, as the case may be. A notice shall also be issued simultaneously requiring all persons affected by such notification, who wish to make any objections or suggestions with respect to the issue of such a notification to submit their objections or suggestions in writing to the Highway Authority or appear before such Authority, within two months of the publication of the notification in the official Gazette, or within one month from the date of the publication of the notification in the village, whichever period expires later.
- (3) The Highway Authority shall, after all such objections or suggestions have been considered or heard, as the case may be, and after such further inquiry, if any as it thinks necessary, forward to the State Government a copy of the record of its proceedings held by it together with a report setting forth its recommendations on the objections or suggestions.
- (4) If, before the expiration of the time allowed by Sub-Section (2) for the filing or hearing of objections or suggestions, no objections or suggestion has been made, the State Government shall proceed at once to issue the notification under Sub-Section (1). If any such objection or suggestions has been made, the State Government shall consider the record and the report referred to in Sub-Section (3) and may either –
  - (a) abandon the proposal to issue the notification under Sub-Section (1), or
  - (b) issue the notification under Sub-Section (1) with such modification/s, if any as it thinks fit.
- (5) In considering the objections or suggestions, the decision of the State Government on the question of issuing the notification under Sub-Section (1) shall be final and conclusive.

## **8. Map to be prepared and maintained**

Within two months from the date of publication of the notification under Sub-Section (1) of Section 7 fixing the highway boundary, Building Line and Control Line with respect to any highway, the Highway Authority shall cause a map to be made of the area through which such highway passes and shall cause to be marked thereon the highway boundaries and Building and Control Lines and any other particulars necessary for the purposes of this Act and within one month from the date of making any alteration or addition thereto cause the

said map to be corrected and such map with the date indicated thereon of the last time when the same shall have been so corrected shall be kept in the office of the Highway Authority. Such map, which shall bear the seal of the Highway Authority, shall be open to inspection. Copies of such map shall also be kept for inspection at such other places as may be prescribed.

## **9. Restrictions on buildings**

- (1) Notwithstanding anything contained in any law, custom, agreement or instrument for the time being in force, on or after the appointed day the following restrictions shall, subject to the provisions of this Act, be in force, that is to say  
No person shall, without the previous permission in writing of the Highway Authority :-
- (a) Upon any land lying between the highway boundary and the Building Line purposed to be fixed under Sub-Section (2), or fixed under Sub-Section (1) , of Section 7 as the case may be
- (i) construct from layout any means of access to, or from a highway, or
  - (ii) erect any building, or
  - (iii) materially alter any existing building, or
  - (iv) make or extend any excavation, or
  - (v) construct, form or layout any works, or
- (b) Upon any land lying between the Building Line and the Control Line proposed to be fixed under sub-section (2), or fixed under Sub-Section (1), of Section 7, as the case may be
- (i) construct, form or layout any means of access to, or from a highway, or
  - (ii) erect any building, or
  - (iii) materially alter any existing building.
- (c) Use any building or alter the use of any building already erected in a manner which in the opinion of the Highway Authority will, in any manner whatsoever, infringe any of the provisions of this Act, or interfere with the use of a highway adjoining the land on which such building is erected.
- (2) Every person desiring to obtain such permission under sub-section (1) shall make an application in writing to the Highway Authority in such form and containing such information as may be prescribed in respect of the Building, alternation, excavation, works or means of access, as the case may be, to which the application relates.
- (3) On receipt of such application, the Highway Authority, after making such inquiries as it may consider necessary, shall order in writing and either –
- a. grant the permission, subject to such conditions, if any, as may be specified in the order, or
  - b. refuse to grant such permission.

Provided that –

- (i) Permission under Clause (a) of Sub-Section (1) of making of any excavation or construction, formation or laying out of work in land for the purpose of repairing, renewing, enlarging or maintaining any underground sewer, drain-electric line,

pipe duct or other apparatus shall not be withheld nor be made subject to any conditions save such as may be necessary for securing that the sewer, drain electric line, pipe, duct or other apparatus shall be laid in such manner and at such levels that the construction, development, maintenance, improvement of a road there over will not be prevented or prejudicially affected thereby.

- (ii) Permission under Clause (b) of Sub-Section (1) to the erection or alteration of a building or laying out any means of access to a highway which conform to the requirements of public health and welfare & of safety and convenience of traffic on the adjoining road shall neither be withheld nor made subject to unreasonable conditions.
  - (iii) Provided that in the case of means of access required for agricultural purposes such permission shall neither be withheld nor be made subject to any conditions save such as may be necessary for securing that the means of access shall be used for agricultural purposes only.
  - (iv) Permission under Clause (b) of Sub-Section (1) to the re-erection or alteration of a building which was in existence before the appointed day shall neither be withheld nor made subject to restrictions unless such re-erection or alteration involves any material alteration to the outside appearance of the building.
- (4) When the Highway Authority refuses permission, the reasons therefore shall be recorded and communicated to the applicant.
- (5) If at the expiration of a period of three months after an application for such permission specifying the name and address of the applicant has been made to the Highway Authority, or such further period not exceeding 3 (three) months as may have been notified by the Highway Authority has lapsed and no decision has been notified in writing posted or delivered to the applicant at the given address, then (except as may otherwise be agreed in writing between the Highway Authority and the applicant) permission shall be deemed to have been given without the imposition by the Highway Authority of any conditions.
- (6) The Highway Authority shall maintain a register with sufficient particulars of all permission given or refused by it under this Section and the register shall be available for inspection free of charge by all persons interested and such persons shall be entitled to take extracts therefrom.

**Explanation** – For the purpose of this Section, the “appointed day” shall with reference to any highway boundary, Building Line or Control Line, mean –

- (i) the day on which a notification is published in the official Gazette under Sub-Section (2) of Section 7 proposing to fix such highway boundary, Building Line or Control Line and
- (ii) if any modification is made in such highway boundary, Building Line or Control Line, the day on which the notification is published under Sub-Section (1) of Section 7 modifying such highway boundary, Building Line or Control Line.

## **10. Appeal**

- (1) If any applicant is aggrieved by any decision of the Highway Authority under Section 9 of either withholding permission or imposing any condition, he may appeal to the

State Government within 30 (thirty) days from the date on which such decision was communicated to him.

- (2) The State Government may, after giving an opportunity to the applicant to be heard, make such order as it thinks fit upon appeal and the decision of the State Government shall be final.

### **11. Exemptions for works in progress etc.**

- (1) No restriction in force under Section 9 shall apply to the erection or making of a building or excavation or to the construction, formation or laying out, of any means of access or works begun before the appointed day referred to in Section 9.
- (2) No restrictions in force under Section 9, except restriction as to the construction, formation or laying out, or means of access, shall apply to any land forming part of a burial or cremation ground or other place for the disposal of the dead being which has, before the passing of this Act, been used for such purpose.
- (3) No restriction in force under Section 9 shall apply to any excavation or works necessary in connection with any drains, ditches, or other drainage works for agriculture purposes or to any work necessary for the repair, renewal enlargement or maintenance of any sewer, drain, electric line, pipe, duct, or other apparatus, constructed in or upon the land before the date on which the restrictions came into force or with the consent of the Highway Authority on or after that date.

### **12. Getting back to Building Line or Control Line**

Whenever any building or any part thereof erected before the appointed day referred to in Section 9 lies between the Building Line and the middle of the Highway, the Highway Authority may, whenever any such building or part thereof has either entirely or in greater part been taken down, burnt down or fallen down, by notice require such building or part thereof when re-erected, to be set back to the Building Line or Control Line.

### **13. Regulation or diversion of right of access to highway**

- (1) The Highway Authority may, if it is considered essential in the interest of safety or convenience of traffic, regulate or divert any existing right of access to a highway across the land lying between the Control Line and the highway boundary:

Provided that the existing right of access shall not be diverted until alternative access has been given.

- (2) Where the existing right of access is diverted, the point at which alternative access is given to the highway shall not be unreasonably distant from the existing point of access.
- (3) The Highway Authority shall, by notification in the Official Gazette, publish the date on which the existing right of access has been diverted and alternative access has been given.

### **14. Powers of Highway Authority and officers and employees appointed under Section 6 in respect of surveys**

For the purposes of carrying out any of the provisions of this Act, the Highway Authority and the officers and employees appointed under Section 6 may -

- a. enter upon, survey and take measurements and levels of any land.
- b. mark such levels, dig or bore into the subsoil of any land and to do all other acts necessary to ascertain whether the land is suitable or not.
- c. demarcate the boundaries of the highway by planting stones or other suitable marks in different colours of a durable nature at intervals all along the highway in such a manner that the imaginary line joining such stones or marks shows the road boundary correctly.
- d. where there are bends or kinks on the road boundary, locate/ place the stones or marks in different colours so as to give the correct configuration of the boundary if they are joined by straight lines.
- e. give consecutive numbers to such boundary stones or marks and maintain them on the ground as if they constituted part of the highway.
- f. layout the building and control lines by placing marks in different colours and cutting trenches.
- g. if the survey cannot otherwise be made, or measurements or levels taken or boundaries marked and lines laid out, cut down and clear away any standing crop, tree, fence or jungle or any part thereof.
- h. do all other acts necessary in that behalf.

Provided that the Highway Authority shall not, except with the consent of the occupier thereof, enter or permit any of the officers or employees to enter any premises without previously giving such occupier at least forty eight hours, notice in writing of its intention to do so.

Provided further that the State Government shall pay reasonable compensation to the occupier for the damage caused by him to such building, land or other structures.

## **15. Powers to acquire land etc.**

- (1) Any land required by the Highway Authority for discharging its function under this Act shall be deemed to the land needed for a public purpose and such land may on a request being received from the Authority, be acquired by the State Government for the said Authority under the provision of this Act.
- (2) On the Highway Authority approaching the State Government as provided under Sub-Section (1) with such requisition and the State Government being satisfied that for a public purpose any land is required for the construction, maintenance, management or operation of a highway or part thereof, it may, by notification in the official gazette, declare its intention to acquire such land.

Provided that, if the land intended to be acquired is situated in the Scheduled Area, before declaring its intention to acquired such land, the State Government of the officer authorized in this behalf shall consult the following, in such manner as may be laid down by the State Government by a general or special order issued in this behalf

- i. The *Gram Panchayat* concerned, if the land is falling within the limits of a village.
- ii. The *Panchayat Samiti* concerned, if the land is falling within the limits of more than one village in a Block.

- iii. The *Zilla Parishad* concerned, if the land is falling within the limits of more than one Block, in a District.

**Explanation** – For the purposes of this Sub-Section –

- (a) The expressions “*Gram Panchayat*” and “*Scheduled Area*” shall have the meaning respectively assigned to them in the Odisha Gram Panchayat Act, 1964.
- (b) The expressions “*Panchayat Samiti*” and “*Zilla Parishad*” shall have the meaning assigned to them in the Orissa Panchayat Samiti Act, 1959 and Odisha *Zilla Parishad* Act, 1991 respectively.
- (3) Every notification issued under Sub-Section (2) shall give a brief description of the land.
- (4) Any officer authorized by the State Government, by notification in the official Gazette, for acquisition of land for the purposes of this Act (hereinafter called as the “*Competent Authority*”), shall cause the substance of the notification to be published in two local newspapers, one of which will be in a vernacular language.

## **16. Power to enter on land for survey etc.**

- (1) On the issue of the notification under sub-section (2) of Section 15, it shall be lawful for the Competent Authority, to –

  - b. take levels,
  - c. dig or bore into sub-soil,
  - d. set out boundaries and intended lines of work,
  - e. mark such levels boundaries and lines by placing marks and cutting trenches;  
or
  - f. do such other acts or things as may be prescribed in this behalf by the State Government.

Provided that the Highway Authority shall not, except with the consent of the occupier thereof, enter or permit any of the officers or employees to enter any premises without previously giving such occupier at least forty eight hours, notice in writing of its intention to do so.

Provided further that the State Government shall pay reasonable compensation to the occupier for the damage caused by him to such building, land or other structures.

- (2) The State Government may, upon issue of a notification under Sub-Section (2) of Section 15, acquire any land specified therein by outright gift or purchase by agreement with the owners, or failing such agreement, by recourse to the provisions of this Act.

## **17. Hearing of objections**

1. Any person interested in the land other than the persons whose objections or suggestions have already been considered or heard by the Highway Authority in response to the notification issued by the Highway Authority under Section 7 may, within twenty one days from the date of publication of the notification under Sub-

Section (2) of Section 15, object to the use of the land for the purpose or purposes mentioned in that Sub-Section.

2. Every objection under Sub-Section (1) shall be made to the Competent Authority in writing and shall set out the grounds thereof and the Competent Authority shall give the objector an opportunity of being heard, either in person or, through a legal practitioner, and may, after hearing all such objections and after making such further enquiry, if any, as the Competent Authority thinks necessary by order, either allow or disallow the objections.
3. Any order made by the Competent Authority under Sub-section (2) shall be final.

## **18. Declaration of acquisition**

1. Where no objection under Sub-Section (1) of Section 17 has been made to the Competent Authority within the period specified therein or where the Competent Authority has disallowed the objection under Sub-Section (2) of the said Section the Competent Authority shall, as soon as may be, submit a report accordingly to the State Government and on receipt of such report, the State Government shall declare, by notification in the Official Gazette, that the land shall be acquired for the purpose or purposes mentioned in Sub-Section (2) of Section 15.
2. On the publication of such declaration under Sub-Section (1), the land shall vest absolutely in the State Government free from all encumbrances.
3. Where in respect of any land, a notification has been published under Sub-Section (2) of Section 15 of its acquisition but no declaration under Sub-Section (1) has been published within a period of one year from the date of publication of that notification, the said notification shall cease to have any effect.

Provided that in computing the said period of one year, the period or periods during which any action or proceedings to be taken in pursuance of the notification issued under Sub-Section (2) of Section 15 is stayed by an order of a court, shall be excluded.

4. A declaration made by the State Government under sub-section (1) shall not be called in question in any court or by any other authority.

## **19. Power to take possession**

- (1) Where any land has been vested in the State Government under Sub-Section (2) of Section 18, and the amount determined under Section 23 with respect to such land has been deposited in the manner prescribed under Sub-Section (1) of Section 24 with the Competent Authority by the State Government, the Competent Authority may by notice in writing direct the owner as well as any other person who may be in possession of such land to surrender or deliver possession thereof to the Competent Authority or any person duly authorized by it in this behalf within sixty days of the service of the notice.
- (2) If any person refuses or fails to comply with any direction made under Sub-Section (1), the Competent Authority shall apply to the Deputy Commissioner of the concerned District, and the Deputy Commissioner shall enforce the surrender of the land, to the Competent Authority or to the person duly authorized by it.

Such transfer would be followed by a correction in the Jamabandi register of which a copy would be sent to the Competent Authority free of charges within 15 days of each transfer.

## **20. Right to enter into land where land vested in State Government**
